**FITS! FITS!!**

HART'S VEGETABLE EXTRACT

Is the only remedy that can be relied on for the permanent cure of Spinal Complaints, Spasmodic Contractions, Irritation of the Nerves, Nervous or Sick Headache, Nervous Tremors, Neuralgic Affections, Apoplexy, Paralysis, General debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders, including the most dreadful of all diseases that ever afflict the human race,

EPILEPTIC FITS,

or Falling Sickness, Hysterical Fits, Convulsions, Spasms, &c. Dr Hart would impress it upon the minds of the afflicted that the Vegetable Extract is the only remedy ever discovered that can be relied on for the permanent cure of this most dreadful of all diseases. Its tendency is to insanity, madness and death, the most

SKILLFUL PHYSICIANS

of Europe, as well as those of our own country, have pronounced Epilepsy incurable. And it has been so considered by many, until the most important of all discoveries was made by Doctor S Hart, nearly sixteen years since, during which time it has been performing some of the most

REMARKABLE CURES

upon record, and has acquired a reputation which time alone can efface. Physicians of undoubted skill and experience, ministers of various denominations as well as hundreds of our national citizens all unite in recommending the use of this truly valuable medicine to their patients, charge, and friends, who are thus afflicted, as the only remedy.

WE QUOTE THE LANGUAGE

used by those who have been cured by this valuable medicine. One says, "I have suffered beyond my power of description, but now I rejoice in being fully restored to health and happiness." Another says, "I think God is blessed that I am a well man. I also feel it my duty to proclaim it to the ends of the earth, that those similarly afflicted may find relief." Another (who is an

EMINENT LAWYER,

and well known in this city) says, "my son has been afflicted for years with Epilepsy but is now enjoying good health from the Vegetable Extract. Its fame," says he, "should and ought to be sounded to the ends of the earth." Another says, "Language is entirely inadequate to express my gratitude to Dr Hart, for having been the means, under the blessing of God, of restoring me to good health after having been afflicted with Epilepsy in its worst forms for more than twenty three years, and my morning and evening oblation of praise and thanksgiving shall continue to ascend to that God who has afflicted but to make me whole."

Mrs J Bradley, 115 Orchard street New York, states that she has been subject to Fits for many years, and has been restored to perfect health (after every other means had failed) by the use of the Vegetable Extract.

Dr Charles A Brown of Dover, Russell co Alabama, who is one of the best Physicians in the State, says that he has been much benefited by the use of the Vegetable Extract and that he unhesitatingly recommends it in every case of Epilepsy which comes under his knowledge.

Curtis G Mayberry, Esq formerly Postmaster at Lime Mills, Crawford Co, Pa, now living in Erie Co Pa states that for many years he has been sorely afflicted with Fits, and he is now happy to state that a persevering use of Dr Hart's Vegetable Extract has restored him to sound health, being entirely freed from that worst of all diseases.

Mr Stephen E Frost, corner of Sixth Avenue and Twenty sixth Street, New York states that Mr Charles E Boughton, a member of his family, has been so severely afflicted with Epileptic fits for many years that he was obliged to relinquish his business. During used Dr Hart's Vegetable Extract (says Mr F) he was soon restored to perfect health, and left this city for the State of Ohio to resume his business.

Rev Mr Smith, Rector of St Peter's Church, Spotswood, New Jersey who has been afflicted with Epileptic Fits for more than forty years, states that he has used Dr Hart's Vegetable Extract, and his health has been so much improved that he hopes by Divine blessing to have no more Fits.

EPILEPTIC FITS,

For twenty seven years and six months, cured by the use of this truly wonderful medicine.

Read the following remarkable case of the son of Wm Secrist, Esq of Philadelphia, affected with Epileptic Fits for twenty seven years and six months.—After travelling through England, Scotland Germany, and France, consulting the most eminent physicians, and expending for medicine, medical treatment and advice three thousand dollars, returned with his son to this country in November last, without receiving any benefit whatever and was cured by using

*HART'S VEGETABLE EXTRACT*

I have spent over three thousand dollars for medicine and medical attendance. I was advised to take a tour to Europe with him, which I did. I first visited England. I consulted the most eminent physicians there in respect to his case, they examined him and prescribed accordingly. I remained there three months without perceiving any change for the better, which cost me about two hundred and fifty dollars, pocketed by the physicians, and the most that I received was their opinion that my son's case was hopeless, and

*POSITIVELY INCURABLE*

I accordingly left England, travelled through Scotland Germany and France and returned home in the month of November, with my son as far from being cured as when I left. I saw your advertisement in one of the New York papers, and concluded to try Hart's Vegetable Extract, seeing your statements and certificates of so many cures, some of twenty and thirty years standing and I can assure you I am not sorry I did so, as by the use of Hart's Vegetable Extract alone he was restored to

*PERFECT HEALTH*

His reason, which was so far gone as to unfit him for business is entirely restored, with the prospect now before him of life, health and usefulness. He is now 28 years of age and 27 years 6 months of this time he has been afflicted with the most dreadful of diseases, but thank God is now enjoying good health.

Now, sir, faith without works I don't believe in—To any I shall be ever grateful to you in one thing, and as I here enclose you one hundred dollars I have no doubt you will think this another and quite a different thing. The debt of gratitude I still owe you, but please accept this amount as interest on the debt in advance. Yours, very respectfully,

(Signed,) WILLIAM SECORE.

*THE TIME IS NOT FAR DISTANT*

When thousands who are now trembling under the hand of this dreadful disease, and fearing that every attack may prove fatal will find permanent relief and be restored to new life, by using this celebrated medicine.

*OVER ONE THOUSAND CERTIFICATES*

Have been received in testimony of the beneficial results produced by the use of Dr Hart's Vegetable Extract.

**NEVER DESPAIR OF LIFE!**

KELLEY & CO'S

HIGHLY CONCENTRATED

*SARSAPARILLA*

Cures the Worst Diseases that ever preyed on the Human System, and saves Thousands of Lives

Annually!!

**10,000 CASES**

OF SCROFULA cured by it this year and 5,000 Cases DYSPEPSIA and HUMORS, of which *proof* can be furnished. This is the only medicine known to cure these diseases.

THIS Sarsaparilla will bear TWO QUARTS OF WATER to a Bottle and then be far superior to any in use. It is put into the Bottle in FULL STRENGTH and power, without reducing it and this is done for the special benefit of those who use it as it is objected to all other Sarsaparillas that they are Weak, Clumsy, Adulterated, Sickish, and are wholly incapable of reaching the seat and cause of the disease. But this Sarsaparilla comes warranted to be

Six Times Stronger

than any other, and Six Times Better Safer Surer, and Cheaper than all others. *THIS* Sarsaparilla has bestowed on it some of the best MEDICAL Talents and Skill in the world, and CURES all the Sickness KILLS all the Pain and REMOVES all the suffering that it is in the power of Human means to do. It Cures

Scrofula, Dyspepsia, Jaundice, Liver Complaint, Humors, Canker, Costiveness, Rheumatism, Cancer, Debility of the System, Salt Rheum, and every Disease which arises from Impure Blood!

CONSUMPTION CURED WITH

KELLEY & CO'S SARSAPARILLA!

A PHYSICIAN, who is truly the most distinguished of any in a large City for professional skill CURE HIM, astonishing as it may seem, that he actually CURED a case of Consumption with Kelley & Co's Sarsaparilla, and says that there is no medicine in which he has so much confidence for Diseases of the Lungs." Some will marvel at this REMARKABLE Cure, but hundreds are knowing to the fact. This INESTIMABLE Sarsaparilla is also doing wonders in foreign cities. And says

*SIR BENJAMIN BRODIE,*

Surgeon to the Royal Family of England that there is no other medicine which is CAPABLE of doing NO MUCH GOOD, and yet so INCAPABLE of doing injury." What distinguished compliments are these! Never was there a medicine honored with STRONGER RECOMMENDATIONS. It CURES when every thing else fails the

Severest Scrofula and Humors,

where the flesh falls off the bones—the bones are diseased and the DARK OF DEATH seems ready to strike the sufferer. And the reason for this is, that it makes the BLOOD perfectly Pure Rich, Healthy, Quick, Free, Nutritious. It CURES all those ALARMING cases of DYSPEPSIA and JAUNDICE, where the Liver is Swollen and Painful Strength wasting, Appetite gone, Pulse weak, or Feverish, Skin yellow, Nerves deranged. It restores Health, Strength, and Vigor to every disordered function of the System—causing them to move on just as Nature requires. And for its WONDERFUL Power over Disease in every form and part which no other Medicine possesses, the public justly style it the

*Master Remedy of the Age!*

The great secret of all its triumphant success over all other Sarsaparillas is, that it does not turn per write the patient, or prolong his sufferings. But it first attacks the disease and stops it then removes it, then brings up the flesh and strength on a perfectly pure Blood so that the cure is always thorough and permanent. Others only scatter or back on the disease, but this EXTIRPATES it wholly from the system—this saves the patient while others endanger it. The whole Body is made so healthy by the use of this GIANT MEDICINE, the System so vigorous—Mind so cheerful—Nerves so quiet—Skin so fair—spirits so buoyant, that Medical Colleges, Professors, and Physicians always prefer it for the sake of its superiority. Try it, all you who are seeking the PRICELESS BLESSINGS OF HEALTH!

Ladies, Married and Unmarried!

It is for you especially that this Sarsaparilla is made, as the "HEALING ART" has been tasked to the utmost to have it exactly suited to FEMALE COMPLAINTS. These Complaints have never been cured for as they ought, hence it is that all the medicines which are used with the hope of Cure, so invariably and entirely fail. But this Sarsaparilla has the SPECIAL ability, to cure every Disease Affection, or Pain, which comes under this head. It regulates the secretions—corrects the irregularities of the System—restores strength to every part—beautifies the complexion—imparts a flow of spirits—cures palpitation of the Heart—removes Blotches, Pimples, Freckles.

**The American Air-Tight Cooking Stove.**

If this is not the best Stove in use, why so many attempts to infringe upon it? This suit was brought to sustain the Patent and to stop the infringements, and after a most thorough legal investigation these rights were promptly decided, fully sustaining this Patent.

More than Ten Thousand of these Stoves are now in use. The testimony of this multitude, the past year established the fact beyond a doubt that there are more good and useful qualities combined in this Stove than ever was or probably ever will be found in any other Stove. The fire brick oven top is of great value in equalizing the heat around the oven absorbing the steam causing the bread &c to rise and bake light and quick—and giving bread, puddings &c that flavor of the house brick oven. The kitchen for roasting in front, is complete. The summer arrangement for broiling, frying, boiling, heating of irons, &c is admirable—The great economy of fuel, substantial construction and general good quality of this Stove is the cause of its universal adoption.

**The Great Remedy for Gonorrhœa**

GLEET, Stricture and all analogous complaints, is Dr. DOUGLASS'S ARABIAN PASTE. Dr Douglass is well known having practised in the principal cities in the Union during the last 40 years. His only reason for introducing the Paste in this public manner is the consciousness that there are thousands of ill treated complaints in this city—thousands of individuals who are going down to premature graves by taking the miserable drugs of quacks.

Dr D most solemnly affirms that during his practice of forty years this Paste has never, in one single instance failed of effecting a cure in a few days without any change of diet or hindrance from business. He has had some of the most stubborn cases—cases that have resisted the regular course of treatment adopted by our first physicians, for months and even years but after taking the Paste for a few days the anger, symptoms disappeared and the patients were discharged, entirely cured.

If the unfortunate, instead of drugging themselves with quack nostrums, would purchase only one box of the Arabian Paste we should not see so many emaciated bodies and sallow countenances as we do at the present time.

☞ In case this Paste should fail to effect a cure in the shortest possible time, ten times the price paid for it will be given the purchasers on returning the empty boxes.

For sale only by the original inventor and sole proprietor DR PETER G DOUGLASS, at his Office No 55 Union street Boston at $3 per box where he can be confidently consulted on every disease incident to the human frame and the patient rely upon the most beneficial course of treatment that can possibly be adopted.

It was an important crisis in the aged father's affairs, when this bad purpose was received upon; and its accomplishment brought bitter trial to the virtuous Corinne The old man cursed her often as the destroyer of his fortunes—the dark shadow upon his life

*She* a shadow of evil! Old man, look upon the beautiful step-daughter's purity by giving it as the ransom of their shattered fortunes The old man's heart was softened wonderfully by the honest Corinne was now the object of.

But how came all this about

One little year ago, and the unknown friend sent his rich token of interest—and love—to the foreigner One little year ago, that affection was first acknowledged, which had the power to raise the lover from the 'downward way' to the glorious height of temperance and prayer It had proved a more persuasive guide than final or fraternal love; and led him to his home a liberated man All unconsciously Beauty and Genius in Obscurity had brought light and joy to high places crowded by grief.

Karl had first seen Corinne in the office of the publisher, who accepted her articles to his own profit more than hers Struck by her peculiar beauty, he had sought all means to know her history, watching her secretly in her regular visits to the publisher, (the only visits she seemed to make,) and strengthening at every sight of her the interest which had been awakened in his heart

He read her eloquent appeals to the wayward, the sinning, the unclean table of the earth, with wondering admiration and delight But just before that memorable New Year's day, he had been touched to his very soul by one of her womanly delicacies of the week and strong in which she had declared she could sooner trust the being whose leading passion was the love of wine, than one whose soul had untruth for its foundation—who steeped his words in sweet deceit, and smothed his brow with falsehood There was no hope where beautiful Truth was not permitted to be a guest but the strong draught did not always or speedily drown the noble sentiments of the soul.

Karl felt that she was right—that now withstanding his years of weakness, the heavenly whisperers were not all hushed—that the refinement of his mind was not yet made gross by the companionship of those who spured all moralities There was hope for him, and on the morning of that first New Year, he earnestly resolved to keep his lip from touching the glass, which might be offered to him during his many calls When evening came, his lip was pure of the red stain, and with a hopeful heart he sent his first offering to the gentle girl whose image had strengthened him

Corinne was too holy in her loneliness and trials for him to bring shame and sorrow to her, and Karl determined to make her his own wedded wife, if he could win her, after a trial of his vow of temperance for half a year

He still remained unknown, but the solitary Hafian constantly received some earnest token that one heart in the outer world still beat warmly for her—soon would pray for a gift covered beyond all things else. He *must* have intercourse with her thus to keep his spirit strong

The six months passed away, and the 'unknown,' treasured so faithfully in fancy, has not long to wait for the devoted girl's declaration that she was indeed, in her loneliness, 'alone own' Her own proud spirit could not break however, the contempt or condescension she might reasonably expect from the wealthy family she must enter, if she wedded Karl, and it was not until the loving Kate warm claimed her as a sister, and the parents of her lover blessed her for the joy she had brought their aching hearts, that she was convinced her dower of poverty was more costly in their eyes than hands or gold

Corinne would wait until the anniversary of the day so memorable to her, before she gave her hand to Karl, and so on New-Year's night she became a bride Her husband always blessed her, and turned not back from the upward and onward way she had pointed out

Oh! let not the lowly and the gifted, sorrow that they act no part in the 'world's history'— Some pitying, softening word, dropped on man's heart, may melt it to good deeds, giving new music to the spirit of some loving one, and a new song to angels!

**Vessel on Fire**

The brig New York, Capt. Sleeper, arrived in our bay on Wednesday last, after a passage of forty nine days from Thomaston, Maine — On the 25th inst, her cargo which consists of Lime, was discovered to be on fire Every precaution was immediately taken to prevent the flames from bursting forth, by closing the hatches and tightly caulking the decks, which had the desired effect She is still in the bay, awaiting a favorable opportunity to come up to the city, when she will be stripped of her sails and rigging and sunk in the river After extinguishing the fire she will be easily raised and her cargo discharged We understand the intense heat is beginning to cause the decks to crack, and it is quite doubtful, as yet, whether she can be saved She is consigned to J H Rivers & Co—[Mobile Adv, Oct 21

HIGHLY IMPORTANT NEWS FROM THE SOUTH

The following extract of a letter is from a very respectable mercantile house, dated

Washington, Rappahannock Co, Va, May 26, 1846

Dr D. Jayne—Dear Sir —Our Ma Jones has been in a very bad state of health for more than a year, he has had the benefit of the best medical advice our country affords, and also visited your city during last summer, but found no relief On the 15th of April last we purchased half dozen bottles of your TONIC VERMIFUGE, and half dozen boxes of SANATIVE PILLS Through carelessness in packing the articles in a dry goods box, one half the Vermifuge was broken Mr Jones commenced with the Pills, and after taking a few doses felt a decided improvement The three bottles of Vermifuge which came safe to hand, brought from him, he thinks, not less than one thousand worms, and perhaps many more He is now in better health than he has been for years, and we hope in few more bottles of your Vermifuge and Pills will effect a permanent cure. All our physicians have entirely mistaken his case—Prof Samuel Jackson, of your city, at the head Mr Jones is most anxious to get more of your Pills and Vermifuge as soon as possible Respectfully, J B JONES & Co

Prepared only by Dr D Jayne, Philadelphia, and sold on agency by G W LADD and J S INGRAHAM, Bangor

For sale in Oldtown by H & J Y RICHARDSON

Here may also be had JAYNE'S AGUE PILLS, warranted to cure Fever and Ague, Intermittent Fever, &c — Also, the American Hair Dye, also warranted to change the hair to a beautiful auburn or jet black color, without staining the skin!

It will be seen by the law that divisions are allowed the term of two years to raise their quota of volunteers at the expiration of which time, in failing to furnish the number of companies to which they are entitled, other divisions will be authorized to raise them on petitioning to the commander in-chief It is hoped that the martial spirit of our citizens has not become entirely extinct by the long in peninsula of active military service but that there still exists in our State those military and patriotic impulses that will ensure a willing and prompt return to duty and a vigorous organization in each division of the militia of Maine of all the force allowed by law

Independent companies already organized are invited to join the volunteer corps of our State and whenever they indicate to this department their wish and determination to comply with the provisions of law they will be furnished with arms by the State

Our citizens generally are also invited to organize new companies with becoming promptitude, petitions for which may be forwarded to the office of the Adjutant General

The State has now on hand a variety of muskets and rifles and in a few weeks will be in possession of nearly one thousand percussion rifles of the latest and most approved model which will be subject to the order of companies first making application By the Commander in Chief

*Wonder and Blessing of the Age*

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD

*This Extract is put up in Quart Bottles—it is six times cheaper pleasanter and warranted superior to any solid Extracts without vomiting purging, sickening or debilitating the Patient*

The great beauty and superiority of this Sarsaparilla over all other medicine is while it eradicates diseases it invigorates the body It is a use of the very best *SPRING AND SUMMER MEDICINES* ever known it not only purifies the whole system and strengthens the person, but it *creates new, pure and rich blood* a power possessed by no other medicine And to this is the grand secret of its wonderful success — It has performed within the last five years, more than 100 000 cures of severe cases of disease at least 15 000 were considered incurable It has saved the lives of more than 5 000 children during the two past seasons

10 000 *CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY*

Dr Townsend's Sarsaparilla invigorates the whole system permanently To those who have lost their muscular energy by the effect of medicine or mistaken treatment committed in youth, or by excessive indulgence of the passions and brought on a general physical prostration of the nervous system Insomnia, want of ambition fainting sensations, premature decay and decline hastening toward the first stage of consumption can be entirely restored by this pleasant remedy This Sarsaparilla is far superior to any

*INVIGORATING CORDIAL,*

As it renews and invigorates the system gives an easy to the limbs and strength to the muscular system, in a most extraordinary degree.

*CONSUMPTION CURED*

Disease and Strength Consumption can be cured Bronchitis, Consumption, Liver Complaint, Colds Hoarseness Coughs Asthma, Spitting of Blood Soreness in the Chest, Hectic Flush, Night Sweats Difficult or profuse expectoration Pain in the Side, &c have been and can be cured

*SPITTING BLOOD*

*New York, April 28 1847*

Dr Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life I have for several years had a bad cough I became worse and worse At last I raised large quantities of blood, had night sweats and was greatly debilitated and reduced and did not expect to live—I then only used your Sarsaparilla a short time, and I can say a wonderful change has been wrought in me I am now able to walk all over the city I rarely no blood, and my cough has left me You can well imagine that I am thankful for these results

Yours obedient servant

WM RUSSELL, 65 Catherine st

*RHEUMATISM*

This is only one of more than four thousand cases of Rheumatism that Dr Townsend's Sarsaparilla has cured The most severe and chronic cases are weekly relieved by its yet wonderful virtues

Jacob Vanderbilt, one of the consultants the Lunatic Asylum, Blackwell's Island, sent a gentleman to speak of in the following letter

*Blackwell's Island Sept. 14 1847*

Dr Townsend—Dear Sir I have suffered terribly for nine years with the Rheumatism considerable of the time I could not eat, sleep or walk I had the most distressing pains and my limbs were terribly swollen I have used four bottles of your Sarsaparilla and they have done me more than one thousand dollars worth of good I feel so much better—I feel, I am entirely relieved You are at liberty to use this for the benefit of the afflicted Yours, respectfully

JAMES CUMMINGS

*FITS! FITS! FITS!*

Dr Townsend on being requested for Sarsaparilla received of Fitts office now I can recommend it as a very good tonic for the following from an article gentleman respectable in Philadelphia

*Northern Angel 13 11 1847*

Dr Townsend—Dear Sir I have sold for seven years the whole sale receipt for your Sarsaparilla and have never heard any thing but praise from those who have used it, but will in my opinion, if used according to directions, do all that is claimed for it I have had my health very much impaired for the last two years and have spent much time and money in search of health, and would give the value of your Sarsaparilla and are very glad we had found it I feel very much better since I have had been taking your Sarsaparilla, in our great city, dampness and air impure It is fast becoming rugged and hearty, to which we feel grateful Yours respectfully,

JOHN BETTLER, Jr

*REMARKABLE MEDICINE*

Dr Townsend's Sarsaparilla is unexcelled and superly cures for Incipient Consumption Barrenness, Prolapsus Uteri or Falling of the Womb, Costiveness, Piles Leucorrhœa or Whites, obstructed or difficult Menstruation Incontinence of Urine or involuntary discharge Urinal and for the long train of prostration of the system—no matter whether the result of inherent cause or causes produced by irregularity illness, or secret vice Both sexes are surprising than the invigorating effects on the human frame Persons of weak nerves and hare tude, from taking it, at once become robust and full of energy under its influence It can be relatively counteracts the morbid seat of the disease in the frame which is the grand cause of Barrenness — It will not be expected of me, in case of so delicate a nature to enlarge further its effects of cures performed but we can assure the afflicted that hundreds of cases were been reported to us Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine have been blessed with nine healthy offspring

*TO MOTHERS AND MARRIED LADIES*

I feel an interest in Sarsaparilla has been expressly prepared in reference to female complaints No female who has reason to suppose she is approaching that critical period, *The turn of life* should neglect to take this, as a certain preventive for one of the numerous and horrible diseases to which females are subject at this time of life This period *may be delayed for several years by using this medicine* Nor is it less valuable for those who are approaching pregnancy as it is unfolded to assist nature by quieting the blood and invigorating the system Indeed this medicine is invaluable for all the delicate diseases to which women are subject

It braces the whole system renews permanently the natural energies—by removing the impurities of the body not so far to stimulate as to produce subsequent relaxation—but to strengthen and invigorate the system for female weakness and disease By using a few bottles of this medicine, many severe and painful surgical operations may be prevented

*GREAT BLESSING TO MOTHERS AND CHILDREN*

It is the safest and most effectual medicine for purifying the system and relieving those sufferings attendant upon child birth ever discovered It strengthens both the mother and child preventing pain and disease, increases and enriches the food—those who have used it think it is an inestimable Boon It is daily useful both before and after confinement, or at any events diseases attendant upon childbirth—in Leucorrhœa, Cramps, Sweatings, Hot Flashes, Debility, Hysterics, Vomiting Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal The great beauty of this medicine is it is always safe and the most delicate use it most successfully in any few cases require any other medicine—in some a little Castor Oil or Magnesia is useful Exercise in the open air and light food with this medicine, will always ensure a safe and easy confinement

*BEAUTY AND HEALTH*

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty They close the pores of the skin and destroy the circulation which, when nature is not thwarted by disease or powder, gives to the frame by its alkalies used in some, sacrifices its own production in the "human face divine," as well as in the garden of rich and delicately tinted and variegated flowers A free, active and healthy circulation of the fluids or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty It is that which imparts to the lips those rich shades and flushes of loveliness that all admire but none can describe This beauty is the offspring of nature—not of powder or soap If there is not a free and healthy circulation, there is no beauty If the lady is far as drawn away, if the paint and powder cosmetics, and the blood is thick, cold, and impure, she is not beautiful If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes, that is fascinating

This is the reason why the southern, and especially the Spanish ladies, are so much admired Ladies in the north who have not this blooming, the little color, or in close rooms or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step buoyant spirits, sparkling neck, and beautiful complexion, they should use Dr Townsend's Sarsaparilla Thousands who have tried it, are more than satisfied, are delighted Ladies of every station crowd our office daily.

*NOTICE TO THE LADIES*

Those that cultivate Dr Townsend's Sarsaparilla have invariably called their itself a great remedy for females, &c, &c, and have copied our bills and circulars and consulate to the complaints of women, word for word—other men who put up medicine have, since the great success of Dr Townsend's Sarsaparilla in complaints incident to females, incorporated their's although previously they did not A number of these Mixtures, Pills, &c are injurious to females, as they aggravate disease, and undermine the constitution.

*STRONGEST CURE*

This Certificate conclusively proves that the Sarsaparilla has perfect control over the most obstinate diseases of the blood Three persons cured in one house is unprecedented

THREE CHILDREN

Dr Townsend Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine — They were afflicted very severely with bad sore, have taken only four bottles, it took them away, for which I feel myself under great obligation. Yours respectfully,

ISAAC W CRAIN, 106 Worcester st

Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Rhubarb, Bitters, Extracts of Yellow Dock, &c They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements,—they are worthless imitations, and should be avoided

The following, in an answer to a simply note from our agent asking Dr Durham a opinion of the medicine

LUNKENNUCK Aug 29, 1848

Mr. A Durham—Dear Sir—In reply to your note of yesterday, I would state that I have occasionally found it convenient to use the various "Patent Pills" vended in the shops, and while I am unwilling to say anything to injure the sale of others, I am free to confess that I consider Dr Wright's Indian Vegetable Pills *superior to all others* with which I am acquainted I have used it in my family, both in my own family and in my practice generally, and they have invariably proved mild and efficacious in their operations The care and skill with which these Pills have been hitherto manufactured, is, in my opinion, a sufficient guarantee for like good results in future

# Patent Mill Wheels.

*Timbey's Patent*

Two Vent Cast Iron Water Wheels

—for—

## SAW MILLS,

Invented by T. R. Timbey of Cato N. Y.

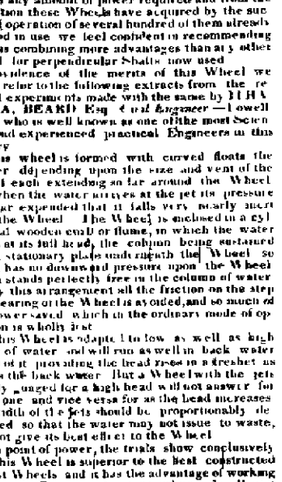
THE undersigned would invite the attention of the Public to the above named WHEELS, which have been thoroughly tested in *Competition* with all other popular

SAW MILL WHEELS

in use at the present time, and they can confidently recommend them with the same head and quantity of water applied as possessing and combining *more Strength and Speed* and giving a more *uniform* and *Steady Motion* in and out of the cut (and therefore not liable to break cranks) and will also *run longer* and *Saw more Lumber* under a low head than any other Wheel in use

Another advantage which this Wheel has over others is that it is constructed with but Two Vents for the discharge of water which makes the apertures larger and allows the drift stuff to escape without filling up the Wheel

Persons wishing to adopt the BEST WHEEL will do well to call and examine before purchasing elsewhere



We would also call the attention of Mill Owners and Operators to

## Valentine's Patent

Reversing Centrifugal Water Wheel,

—FOR—

## "UPRIGHT SHAFTS,"

WHICH are adapted for driving all kinds of Machinery in Manufacturing establishments or Mills and are made of different sizes so as to give any amount of power required and from the reputation these Wheels have acquired by the successful operation of several hundred of them already sold and in use we feel confident in recommending them as combining more advantages than any other Wheel for purposes where now used

As evidence of the merits of this Wheel we would refer to the following extracts from the report of experiments made with the same by HIRAM A. BEARD Esq *Civil Engineer*—Lowell Mass who is well known as one of the most Scientific and experienced practical Engineers in this country

"This wheel is formed with curved floats the number depending upon the size and vent of the Wheel each extending so far around the Wheel that when the water arrives at the jet its pressure is so far expended that it falls very nearly from the Wheel The Wheel is enclosed in a cylindrical wooden ewer or flume, in which the water stands at its full head, the column being sustained by the stationary plate underneath the Wheel so that it has no downward pressure upon the Wheel which stands perfectly free in the column of water and by this arrangement all the friction on the step and bearing of the Wheel is avoided, and so much of the power saved which in the ordinary mode of operation is wholly lost

"This Wheel is adapted to low as well as high heads of water and will run as well in back water as out of it providing the head rises in a direct as fast as the back water But a Wheel with the jets rightly ranged for a high head will not answer for a low one and vice versa for as the head increases the width of the jets should be proportionably decreased so that the water may not issue to waste, and not give its best effect to the Wheel

"In point of power, the trials show conclusively that this Wheel is superior to the best constructed Breast Wheels and it has the advantage of working with good effect in situations where the Breast Wheel would be worthless is less liable to need repairs, easily accessible when they are needed costs much less in the outlay, is much more durable and takes very much less room in a mill or shop—Simplicity of structure durability of parts, economy of application and executive of power are the grand points of recommendation for this Wheel

## Dr. CHRISTIE'S GALVANIC BELTS, BRACELETS, NECKLACES, AND MAGNETIC FLUID.

For the Removal and Permanent Cure of all

NERVOUS DISEASES,

And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the

NERVOUS SYSTEM.

The beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the *most valuable medicinal discovery of the Age*

Dr. CHRISTIE'S GALVANIC BELT

and

MAGNETIC FLUID,

as used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs and invigorating the entire system Also in

FITS, CRAMP, PARALYSIS AND PALSY,

Dyspepsia or Indigestion,

RHEUMATISM, Acute and Chronic,

GOUT, EPILEPSY, LUMBAGO,

DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint,

SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS AND PHYSICAL ENERGY,

and all

Nervous Diseases,

which complaints arise from one simple cause, namely

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease* for they weaken the vital energies of the already prostrated system, while under the strengthening life giving, vitalizing influence of Galvanism as applied by this beautiful and wonderful discovery the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

*They strengthen the whole system, equalize the circulation of the blood promote the secretions, and never do the slightest injury under any circumstances* Since their introduction in the United States, only three years since more than

60,000 Persons

including all ages classes and conditions among which were a large number of ladies who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had long given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person affected with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder In ordinary cases, stimulants are taken, which by their action on the nerves and muscles of the stomach afford *temporary* relief but which leave the patient in a lower state and with injured faculties after the action thus excited has ceased Now contrast this with the effect resulting from the application of the GALVANIC BELT Take a Dyspeptic sufferer even in the worse symptoms of an attack and simply let the Belt act and the body using the Magnetic Fluid as directed In a short period the insufferable perspiration will act on the positive element of the Belt thereby causing a galvanic circulation which will pass on to the negative and thence back again to the positive thus keeping up a continuous Galvanic circulation throughout the system Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED A FEW DAYS IN OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS

Certificates and Testimonials

From the most Respectable Sources,

Could be given sufficient to fill every column in this paper We make a few selections The first is an

EXTRAORDINARY CASE

and conclusively proves that

"Truth is stranger than Fiction."

The following letter narrating one of the most remarkable events in the annals of Medical Science, is from the

Rev. Dr. Landis, a Clergyman

of New Jersey, of distinguished attainments and exalted reputation —

SOMERVILLE New Jersey July 12 1848

DR. A. H CHRISTIE—Dear Sir You wish to know of me what has been the result in my own case of the application of THE GALVANIC BELT AND NECKLACE My reply is as follows

For about *twenty years* I had been suffering from Dyspepsia for the last two years this complaint became worse not could I obtain permanent relief from any course of medical treatment whatever My physicians were skilful and excellent men but here the prescriptions failed About fourteen weeks since in consequence of frequent exposure to the weather in the discharge of my pastoral duties I became subject to a severe Chronic Rheumatism which for year after year, caused me indescribable anguish In the severer paroxysms the skill of my physicians sometimes afforded me great relief, but this relief was only temporary Further in the winter of 46 and '47, in consequence of preaching a great revival in my own and various other churches in this region, I was attacked by the Bronchitis which soon became so severe as to require an immediate suspension of my pastoral labors. *My nervous system was thoroughly prostrated*, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System My sufferings were indeed severe and I had no prospect other than being entirely laid aside from the discharge of those duties and the performance of those labors, in which my soul has ever found the highest of her joys.

But reasoning from effect to cause I concluded that the *Nervous System* must be reached before any hope could be indulged of my obtaining relief from these most distressing maladies. In the whole pharmacopœia there seemed to be no remedial agent which could reach and recuperate my Nervous System, every thing that I had tried for this purpose had completely failed At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID This was in June, 1846 TO MY GREAT ASTONISHMENT, IN TWO DAYS MY DYSPEPSIA WAS GONE, IN A SHORT TIME I WAS ENABLED TO RESUME MY PASTORAL LABORS, NOR HAVE I SINCE OMITTED, A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEUMATIC AFFECTION HAS CEASED TO TROUBLE ME. If time permitted, I could fill a sheet of paper with the details of particulars, but I can now only furnish this brief abstract My Dyspepsia has never returned, the Rheumatism came in a while visits me, but not save only and is easily arrested, and is manifestly being driven from its hold upon my system, and my Bronchial affection is *entirely cured*. Such is the wonderful and happy results of this experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE IN EVERY CASE.

I am, dear sir, very respectfully yours,

ROBERT W LANDIS.

☞ Many hundred Certificates from all parts of the country of equally extraordinary character could be given.

☞ No trouble or inconvenience attends the use of DR CHRISTIE'S GALVANIC ARTICLES, and they may be worn by the most feeble and delicate with perfect ease and safety In many cases the sensations attending their use is *highly pleasant and agreeable*. They can be sent to any part of the country
